Admin notes

Person will be calling back to talk to Carrie. This person is very ill and having to move up north with family. Owner has AIDS and is not well. He needs to surrender these cats ASAP. The one sister is going to have to come down from Deltona to help him deliver the cats here. The sister up north will be calling me back to let me know what dates will work best for the delivery dates so we can work on squeezing them in. CHardy

1/18/24 Sister called back again about making an appointment. After some conversation again. I explained that the probability of Euthanasia was High because they are 10 + years old and very skiddish. I advised that she talk with the brother and have him make a decision on whether he wanted to have them Euthed or try to just surrender them. I gave her the week of February 19th to try to work around to get someone to help her get the cats in here. She will be calling back again. CH

1/19/24 Sister called back and made an appointment for Feb 23 at 3pm. Other sister who lives in Deltona has arranged for that day to come and assist

Richard in surrendering the cats since his Health is failing. CH
