Reason for surrender

I posted them on several sites on Facebook & no one has shown interest. Just a lot of unnecessary comments. I am a mom of 5 underage children, and my oldest even just had a baby. It’s been super tough on my family since we moved here about two years ago. I cannot afford to continue to take care of my dog or cat. I cannot afford vet care, food, etc. I live in an apartment, and they are even charging me \$2,000 to replace my carpet, bc of pet damage. I cannot handle anymore on my plate. I am really going through a financial hardship. Please take them.

My current living situation is...

I would rather not say.

I have read and understood the pet rehome statement.

yes

How we can help you keep your animals?

I cannot keep them, and there are several reasons.
*They caused damage in my apartment with the carpet. My apartment is charging me over \$2,000 to replace the carpet. Between scratching at the carpet and putting holes in the carpet, and using the bathroom inside. I have a carpet cleaner, and litter box, and they’re both doing it. My apartment stinks so bad, and no matter how much I clean, it still smells. Zeus scratches at the carpet too. They test the alarms here often, or if it goes off for any reason, the high pitched noise drives him crazy and he scratches the carpet. Zeus was also use to being able to run freely in our old backyard in Ohio. I have him leash trained and we take him out, all throughout the day, and he is still using the bathroom inside. He never did this before. We have been here for two years, and it’s non stop. If I leave, I come back to poop or pee by my pantry or in my kids rooms. I cannot crate him. I crated him, his whole first year, bc of all of the damage he caused, and it gave him anxiety. We have also been dealing with a flea issue, since we take Zeus outside. I’ve been bathing him in Dawn Dish Soap.... And it seems to only temporarily help. I have to get my whole apartment treated . He’s itching so much from this. I’ve been putting coconut oil on his skin, it’s a temporary relief, but he’s messing himself up with scratching. Not to mention, my youngest daughter, who is 11 is highly allergic to both of them. She’s been on allergy meds for years and it’s not working. It’s not fair to her at all. She has asthma. I have asthma, my youngest son also has asthma. The pet hair and dander messes with that as well. I’m here alone with my 5 children and my oldest daughter just had a baby. I cannot afford to take care of Zeus and Ella. I haven’t been able to take them to the vet for a while. I have been borrowing money to feed them etc. I cannot do it anymore. I have too much on my plate. I feel in my heart, they deserve more then what I can offer. It’s been so hard on us financially. I’m still trying to get on my feet. This move has not been easy at all. Please help me. Please take them. I have been so stressed, every single day. I tried posting them months ago on Facebook and IG. I posted them recently as well. I haven’t had any interest, just unnecessary comments. Please help.
