## Just a few more questions...

## How long have you had the animals?

2 - 3 months

## Reason(s) for concern - click all that apply.

- cost of food
- cost of vet care
- has too many pets

#### How we can help you keep your animals?

I have 2 dogs already, neutered male pitbull and unspayed female yorkie. Family member passed and ive been caring for max while trying to find him a permanent home with no success yet. I unfortunately dont have the money to get him to the vet to get him neutered or to take me own female dog yo get spayed so theyre unable to be around eachother making it difficult to keep him. Assistance with that would allow me to keep him i think, assuming that would solve that.

Good Day,

I am reaching out to you because you filed a request form on our website to surrender your pet. I am writing to inform you we've temporarily suspended our animal intakes due to upcoming construction on our facility. At this time, we are uncertain when we will lift this suspension.

We recommend using social media, animal rescues, or other means for rehoming your pet.
