How we can help you keep your animals?

If you guys could please help me surrender this animal at the moment, she is lovely, and I've been trying to find people who can take her but I currently own 1 husky who is blind and very high maintenance, and i have three cats. So far i have a lot on my plate plus a full time job but when i found this baby on the streets i couldn't leave her. I just want to give her the chance of getting adopted and i will be okay knowing she's somewhere safe and taken care of. I know you guys probably have a lot of dogs but if you could please help me as soon as possible with this baby it would help me tons. Thank you Osceola shelter !
