Other reason not listed

Has been very jealous of my toddler. He's giving he will snap at her. Have him separate now from her and us in the home.

How we can help you keep your animals?

At this point feel we aren't giving him the time of day he needs, with a toddler and work he's just unhappy. He is 12 years old and he doesn't want to be bothered, he needs a calming home with no kids.
