Reason for surrender

My aunt passed away unexpectedly this past Thursday (1 week ago). She (Sherry Neal) lived in St. Cloud at 611 Jersey Avenue. She had 2 adult cats in the home. They are actually still in the house. I can not take the cats home with me to Palm Coast (husband is very allergic to cats). I have asked around to anyone that might be able to take the cats, but everyone says that they can't. I don't know what else to do with them. They are indoor cats, very friendly, but skiddish. I haven't been able to get one of the cats out of hiding within the house in Osceola County that is in horrible condition. I don't know the names of the cats, their ages or if they have ever been to a vet. Please help!

My current living situation is...

I have a stable home.

I have read and understood the pet rehome statement.

yes
