1 - 2 years

Reason(s) for concern - click all that apply.

- moving

If moving, why can't pet(s) go?

I am being forced to sell my house due to finance issues and will be emergency moving to family and friends house with no stable household

How we can help you keep your animals?

We have tried many different places and even tried getting help from where we adopted him but we keep getting denied for either capacity issues or potential behavior issues even though they never seen him. We have been trying for a few months now but it has come to the time that we have no other choice but to bring him to a shelter. It does hurt but we are not able to take him with us and obviously we do not want to abandon him somewhere he is not safe.
