Reason for surrender

doesn't get along with my cat, pees and poops everywhere. Took her in to keep her from going to a shelter from a friend, but i have a small baby and can't have a cat who pees on my bed, couch, carpets.... i have multiple litter boxes at home and she still prefers everywhere else. i've tried rehoming but no one's seems interested

My current living situation is...

I have a stable home.

I have read and understood the pet rehome statement.

yes
