**Just a few more questions...**

**How long have you had the animals?**

3 - 5 years

**Reason(s) for concern - click all that apply.**

- allergies
- cost of vet care
- moving
- no time for care

**If moving, why can't pet(s) go?**

These cats are basically mine among my family. My mother doesn't like to take care of them and since I'm going to college very soon and my mother is moving, I can't keep them.

**How we can help you keep your animals?**

There is no way I can keep them. I cannot take them with me to college and I've tried rehoming on facebook by joining communities and posting them. One lady almost adopted daisy but since daisy doesn't like to be picked up she hissed and almost bit her. I understand if there is no room for them and I am willing to go through with euthanasia because I would rather have them passed than suffering somewhere else.
