No family and people that have been helping walk the dog are leaving. Person lives in a small camper at Richardson's Fish Camp. People staying at the camp have been helping walk the dog. All campers are leaving next week to go back to their homes. This dog has nobody. I have tried to find him a home for two weeks now. He has his first set of shots only. He is great with other dogs and cats. I have been able to collect \$140 from people for donation. Time is an issue for this sweet dog
