Reason for surrender
In two months over a $1000 in vet bills...tape worm...then urinary infection...took her to the vet...a shot and a pill...now she is peeing all over the house. We have had to put towels on all the furniture cause she jumps up and pees. We spent all last night cleaning all the bed sheets, etc. We have had to close all the doors to all the rooms in the house...we left the master bedroom door open last night and she jumped in between us a peed all over the bed.

My current living situation is...
I have a stable home.

I have read and understood the pet rehome statement.
