Reason for surrender

The dog has gotten really aggressive, his tried to bite my husband and I in multiple occasions and does not behaves, I need to keep me locked up in a cage. This is a bull terrier male 7 years old, I have him since 2019 and I paid a trainer to help him with his behavior and wasted my money. Put him in off the leash for training and it made him even more aggressive. I am afraid of the dog and I can't no longer have him here.

My current living situation is...

I have a stable home.

I have read and understood the pet rehome statement.

yes

How we can help you keep your animals?

I tried many things to keep Remy with us, but he has gotten really aggressive with my husband and I and he is not respecting you and he challenges us. My husband and I are afraid of the dog. We fear he will bite one of us and one of us may harm the dog and we get in trouble with the law. I posted the dog in FB / Instagram. a person took him and brought him back the next day. I will love to rehome him but I can't keep taking a chance.
