2 - 3 months

Reason(s) for concern - click all that apply.

- behavior
- no time for care

Other reason not listed

New job that is too far to properly care for him

How we can help you keep your animals?

I can't keep him anymore. I have tried since December but I have realized we are not a good fit for each other; he needs constant attention and exercise and especially since starting a new job in Maitland I have not been able to do that for him, and I want him to have the best quality of life even though that's not possible with me. I don't have a support system here to help me with him either.
