Just a few more questions...

How long have you had the animals?

5 + years

Reason(s) for concern - click all that apply.

- behavior
- no time for care
- no longer want animal

Other reason not listed

She won't pee in the litter box anymore.

How we can help you keep your animals?

If she can be litter trained again. She is peeing everywhere. I've had her most of her life and this wasn't an issue until a while ago. I've tried to help or fix it but I also work a lot. I don't have the time to care for her the way she needs. I love her but I can't live this way.
