Reason for surrender

I found 5 kittens in a box on the side of the road about a month ago. They were really sick but I’ve gotten them up to a good weight and their uri is gone. They’re about 8 weeks 2lbs. I’m currently a foster for the shelter but I would like to surrender them so they can get adopted. I’m happy to keep fostering them until there is space.

My current living situation is...

I have a stable home.

I have read and understood the pet rehome statement.

yes
