How we can help you keep your animals?

Baby and Jack showed up about 3 years ago and I started feeding them. I have moved and it is difficult for me to go there every day to feed them. My mother isnt able to feed them as she is disabled. Baby has a good temperament and is good with people, Jack does not like people. They are a bonded pair and have strictly been outdoors. I'm not sure if they're good with other cats and dogs.
