Reason for surrender

He doesn't get along with my other cat. He came from an only cat home and he pees on everything he doesn't like sharing litter box or space at all. He hasn't bonded with me and my boyfriend and he doesn't like to be pet. He's making the house a wreck with the amount of pee and poop he does daily on furniture and floors.

My current living situation is...

I have a stable home.

I have read and understood the pet rehome statement.

yes

How we can help you keep your animals?

He doesn't seem comfortable being in a home with another cat since he came from a single cat home so I'd rather he be happier with a family he can be the only cat with. He's very sweet.
