How we can help you keep your animals?

We have been trying to find a home for Zeus for a while now, unfortunately we have to move out by this weekend and he can not go with us. My husband is allergic to him. Zues is also healing from flea allergies. He has been going through treatment flea meds given 4/4, benedryl to help the itch, and oatmeal bath. He has a cone to prevent scratching. With having to move unexpectedly, It is bad timing for everything. HE IS ALLERGIC TO THE RABIES SHOT. I belive he has papers, but he was given to us by my brother and I haven't had any luck rehoming him.
