Reason for surrender

Pet does not like my sons. She has snarled, growled & even bit my younger son for being in a completely different area of the house. He does not taunt her and tries to keep his distance and it doesn’t matter. She snaps and bites just him & my other son.

My current living situation is...

I have a stable home.

I have read and understood the pet rehome statement.

yes

How we can help you keep your animals?

I wish there was a way. She was given to us in December by a breeder getting rid of her for free. We have her son who is almost 2. She’s great with other dogs. But for no reason she hated my sons from the first day she met them. We’ve tried training her into liking them. Treats, slowly approaching, talking to her enthusiastically. She’s such a sweet girl. She likes my girls and my husband and myself. But no matter what we cannot get her to like my sons. And a week ago she bit my 7yr old son bad. Jet across the house when he came in from outside and took a chunk out of his calf. He shouldn’t have to hide in our home because he’s afraid she will bite him.
