How we can help you keep your animals?

Security needs to enjoy life. Security is Ladybugs pet/companion. Inseparable. They love each other so much. When I was healthy I adopted both from NYC SPCA 8 years ago. LADYBUG on the other hand loves kids. As her adoption form says. However, I was told on her Adoption form that she doesn't like other animals. "I AM

NOT 100 percent sure of that “ The ONLY other animal she’s encountered is Security. When Ladybug sees other dogs she barks so much. I’m not sure if she wants to play, or what. I won’t take chances. So she is a house dog. Happy I guess. Security is a follower of Ladybug. Both great house dogs. Not used to outside or grass. Goes to bathroom in the garage. Lovable great pets. Needs more Love attention n cuddles. I’m not strong enough or able to walk Ladybug. Because I fear she may be put down not sure if she’ll bite another animal I will keep her instead of her being put to death.
