How we can help you keep your animals?

These were my husband's animals. He took care of them. He passed away a month ago from heart failure. I am now a widow with two minor children. I cannot afford or manage to take care of the pets. I tried asking at church for someone to take them and did not get a response. I do not have full time employment and am waiting for a social security appointment. I need help removing the animals as soon as possible considering I need to concentrate on providing for my children.
