How we can help you keep your animals?

This was originally my brother's dog that he tried to keep at his apartment that did not allow pets. He got caught, and she was only supposed to stay with us temporarily. She's not trained, and he has been doing less and less taking care of her. Most of the people in my house are elderly, so they can't properly take her out her crate to walk her or to clean. I'm also barely here to help. There is nothing we can no longer do to keep her.
