Reason for surrender

Unable to care for pet due to current separation issues going to file divorce. I had the dog in a boarding place for an extended period of time meanwhile, trying to find stable housing, and I was unable to afford keeping him there. He now came back with an open skin problem. I am not able to afford to bring him to a vet.

My current living situation is...

I would rather not say.

I have read and understood the pet rehome statement.
