ADDITIONAL COMMENTS ABOUT THE ANIMAL

Was able to get help from Katie Bair to see Astro is microchipped and contacted his owner Robert who said he would make arrangements for him to be picked up from my home yesterday, 4/20 at 7pm but he is currently not the one currently taking care of Astro and was waiting for that person to get back to him. Never heard back from Robert on arrangements attempts and I told him I have two big dogs in my home while we wait for him to get here. I cannot keep Astro any longer in my home and never heard back from Robert.
