female

TYPE OF ANIMAL

dog

BREED

Golden doodle (mix)

APPROXIMATE AGE

1

COLOR(S)

Beige

APPROXIMATE WEIGHT

25

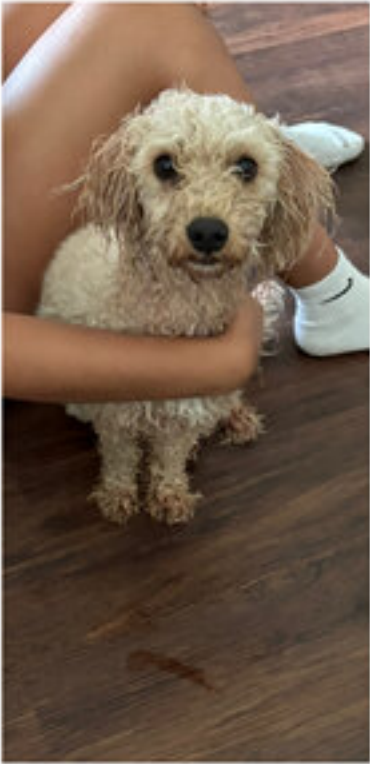

WAS THE ANIMAL WEARING TAGS?

no

ADDITIONAL COMMENTS ABOUT THE ANIMAL

She is wearing an orange collar that appears to have a GPS tracker. The dog seems to have been lost for quite some time — she has lots of knots/matting in her fur, especially around the ears, is very dirty, and her nails are extremely long. It looks like she’s been wandering on her own for a while.
