no

COMMENTS

I cannot keep the dog, I have 6 cats in my house.

ADDITIONAL COMMENTS ABOUT THE ANIMAL

I found a small female dog running on the busy Hoagland street. She almost got hit by cars but luckily I was able to get her safely.
I brought her to Osceola Animal Services, but unfortunately due to Quarantine situation she was not accepted right now.
The lady gave me a cage and food and ask to keep her until quarantine is finished. Thank you so much!
