ADDITIONAL COMMENTS ABOUT THE ANIMAL

Found on Wyoming Ave in st cloud. He has a chip, and we took him to the vet where he was registered at. The vet left two voicemails for the phone number registered under the chip .The pup is safe with me right now. The vet is not allowed to share the owner's information with us. The dog is well fed but very unkept looking. Your website is giving me an internal server error when I try to upload his photo.
