### About Honey

My name is Honey, and I am as sweet as I am beautiful. I love to be near my person and get long strokes down my back. My fur is extra soft, and I am very good at purring. I also love my sister, Annie. She is a little more timid so it is my responsibility to show her that meeting new people and trying new things is OK. When we play together, we have so much fun! We like to groom each other before napping on our warm fleece blanket.
