

FOSTER CARE CONTACT SHEET

Thank you for becoming a foster. Your decision to take an animal into your home to provide a safe, nurturing environment is a tremendous help to Osceola County Animal Services. No question is a silly question! If you have any questions or if any medical emergency situations develop during your time fostering, please contact us.

When you call, email or text, it will be helpful for us to know:

1. Is the animal vomiting?
2. Does the animal have diarrhea?
3. Is it active or listless?
4. Is the animal eating and drinking?
5. Lastly, we need the animals' name and age
